Darts Are Back

After 2+ year hiatus, OSC has a dart league once again!

We didn't get everything we wanted (sorry to say there is no 501 league), but we did get our Cricket League up and running.

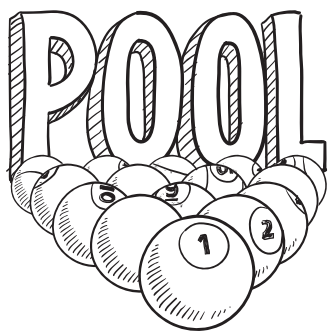

Suffice to say it's been a challenge every week wondering what surprise our technical service is going to throw at us (pun intended). After the 1st several weeks, we are getting into a good rhythm and everyone seems to be enjoying this league.

We are currently throwing out of The White House Bar on 77th and Cass. That may change in the future and I will post any changes on the Website and Facebook. I am also always listening/looking for a bar that NTS (our tech service) hosts their dart boards.

If enough people are interested in throwing during the summer, please either email me (dbillig@centurylink.net) or message me at 402-203-6098 and I will gladly look for a place to throw from! **Think Sunday late afternoons!**

Stop on out on Monday's at 7pm to say hi, have a drink, grab a burger and watch our league.

2022 Spring Pool

Omaha Sports Club Pool League is currently under way.

Running until the second week of April. 56 people are enjoying 8 games of 8-ball every Thursday night at Big John's Billiards for the Spring's 14-week league.

We play doubles 8-ball and the rules are posted on the OSC website. All levels of play are welcome, as it is a handicapped league. We will try a short league (maybe 8 weeks) in the summer, and another 12 week league in the Fall. Watch for the next season sign-ups, and come out and play!

Spring Session Now In Progress

Hey there!! My name is Michael Dacey and I am the new co-chairman w/Rob Smith for volleyball.

We currently have one coed league on Tuesday nights and play at St. Luke's Church off 120th & Burke. Very competitive and balanced league so far this session and looking forward to keeping the momentum moving forward into the Summer.

Summer League

We do have two gyms available for Summer and looking forward to getting sign-ups started soon. Like in the past, you can coordinate your own teams or sign on as a free agent. More details to come in the near future so start planning ahead.
